PROFILE

As a dedicated and high-achieving student at Universitas 17 Agustus Surabaya, currently in my 5th semester, I maintain a commendable GPA of 3.86. While I may not have organizational experience, my commitment to excellence is evident through my hardworking nature, strong communication skills, and ability to work effectively within a team. I am also a critical thinker with a keen interest in frontend and backend development, data analysis, and game development. My academic and personal pursuits reflect a passion for technology and a drive to continuously enhance my skill set in these areas.
